Terms and conditions

- 12-month memberships may be placed on hold up to two times per year for a minimum of two weeks and up to 26 weeks. Three-month memberships may be placed on hold once, for a minimum of two weeks and a total of four weeks. This can be done in person at one of our centres, or by emailing membership@ccc.govt.nz with your request. You may want to do this over the Christmas and New Year holiday period, for instance.
- An additional membership will need to be purchased by the organisation if use consistently exceeds seven visits per week.
- If you lose the card you will need to purchase a replacement card from the Customer Experience Desk.
- Organisation staff are permitted to attend with whaiora. They are there to support whaiora, and not to complete their own workout.
- The membership is valid at all Christchurch Recreation and Sport Centres.
- Staff supporting whaiora do not count as visits except for booking into group fitness classes.

Community Organisation Memberships

The Community Organisation Membership supports organisations who help their whaiora (clients) to be more physically active

With Pool, Gym and Gym & Pool membership options, you'll receive a discounted rate and access to all our recreation and sport centres for a staff member and up to seven whaiora each week.

Inā noa atu te tangata, te mahi
More people, more active, more often

Eligibility

The membership is for community organisations that meet the following criteria:

- Support people who face barriers to being more physically active such as affordability, accessibility, or physical or mental health conditions.
- Is a charitable organisation, incorporated society or social enterprise (evidence will be required).

How it works

- Each membership can be used by multiple whaiora (supported by a staff member) **up to seven times per week** to exercise, swim, or join a group fitness class (depending on your membership type).
Example – organisation staff members take three whaiora to a group fitness class on Monday, take three whaiora for a swim on Tuesday and take one whaiora to the gym on Friday.
- Staff or support workers can enter free of charge with their whaiora, to help the person or small group to participate (not for their own workout).
- Included in each gym membership will be one personal programme for a new whaiora each month.
- Included in each pool membership will be two swimming lessons each month.
- It is essential that whaiora AND staff book a spot in the group fitness classes to ensure availability in the class. This is using the website portal. Organisations will be issued with a login.
- A monthly report will be provided detailing how and where your membership has been used across the network, helping you monitor your organisations usage.
